GIACOMO

Rocking chair with straight back or as wingchair. Armchair and stool are equipped with rounded, smooth armrests and skids made of solid beech wood. On request, these are made of oak wood or walnut. Comfortable sitting is guaranteed due to a high-quality upholstery and a ergonomically shaped back. (Design Franz Fertig)

TECHNICAL DATA

Width 132 / 142 / 152cm (corpus)

Depth 99cm

Height 82cm

Seat width 130 / 140 / 150cm

Seat depth	68cm
Seat height	42cm
Deck height	42cm
Lying surface	130 / 140 / 150cm
Armrest width	14 / 16 / 31cm (in addition to corpus)
Armrests	4 choices: fixed armrest, foldable armrest, armrest with storage box, media armrest with audio system.
Bed box	All sofa types have a storage box. In the bed position it is accessed by opening the seat. The box is painted in L70 - black as standard.
Cushion	Different choices of cushion shapes.
Cover	Diverse choices of fabrics, microfiber or imitation leather.
Frame	The frame structure is made of beech wood and wood materials. There are different types of armrests: The armrest with storage space as well as the media armrest have a cover plate which can be offered in different versions.
Upholstery	High-quality polyether with a cover of nonwoven fabric to protect the underside of the cover fabric.
Function	The sofa can be converted in two steps: Grip the sofa at the back and push it forward. Then turn the rear part of the back backward. The reversion is implemented by folding the rear part of the back forward and pulling up the middle part of the extension.
